## SUMMARY

Full Stack Web Developer with a background in Marketing and Management and life-long dedication to learning. Effective at combining creativity and problem solving to develop user-friendly applications. Known for taking on challenges and tackling any problem no matter the complexity.

## TECHNICAL SKILLS

**Languages:** HTML, CSS, JavaScript, JQuery, and Node.js

## PROJECTS

**Community Sidekicks** | **GitHub Link:** <https://github.com/pazjenni04/community-sidekicks> | **Deployed Link:** <https://community-sidekicks.herokuapp.com/>

- “Community Sidekicks” is a humanitarian website in which you can sign up to donate your time to a number of organizations in search of people willing to do volunteer work. Non-profit organizations can create an account and see a list of volunteers, and volunteers can sign up to be viewed and vetted by organizations.
- Responsibilities included creating Rest APIs, designing handlebar templates for routes, and login/logout JavaScript.
- Languages / technologies: JavaScript, Handlebars, Bootstrap, Bcrypt package, MySQL2 package, Express, and date-fn package

**Employee-Directory\_generator** | **GitHub Link:** [https://github.com/pazjenni04/employee-directory\\_generator](https://github.com/pazjenni04/employee-directory_generator) | **GitHub repo:** [https://github.com/pazjenni04/employee-directory\\_generator.git](https://github.com/pazjenni04/employee-directory_generator.git)

- Utilized test-driven development to create a command-line application that generates an employee directory with the incorporation of inquirer library.
- Responsibilities included creating test cases to confirm execution of application, generating inquirer prompts and promises to generate employee directory.
- Languages / technologies: JavaScript, Node.js, Inquirer package, and Jest package

## EXPERIENCE

**Lead for Commodity Supplemental food (CSFP) program**  
**North Texas food bank**

2017 – 2021  
**Plano, TX**

Responsible for creating projects to expand food program to underserved areas to increase accessibility to seniors. Oversaw a team to ensure program maintained TDA and USDA compliance and that program was meeting designated caseload set by TDA.
